

Chifley and Pearce residents and cyclists - have your say!

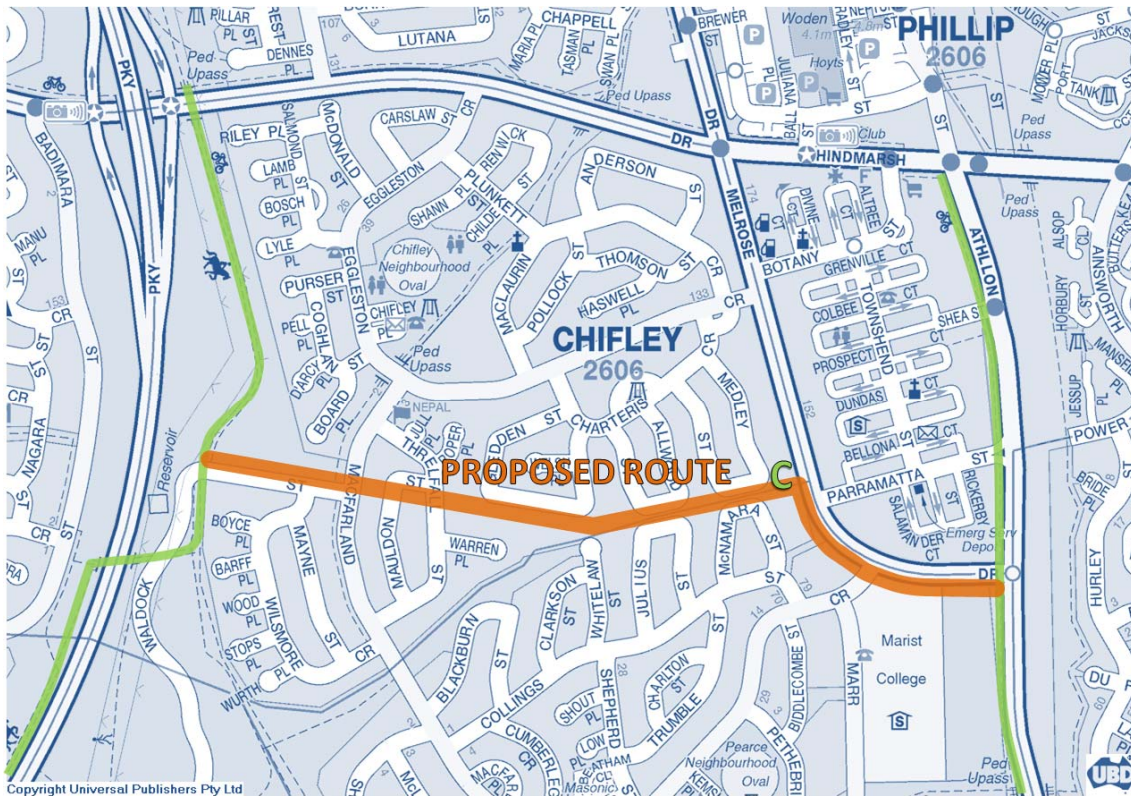

The ACT Government has engaged GTA Consultants to provide advice regarding a new community path in Chifley and Pearce. The proposed path will run from the Athllon Drive shared path, along Melrose Drive and through the Chifley/Pearce 'green belt' to connect with the Tuggeranong Parkway shared path. The path has been designed to support walking and cycling to local schools and encourage commuter and recreational cycling.

Residents of Chifley and Pearce and others with an interest in this proposal are invited to attend a Community Consultation session.

When: Saturday 14 August

Where: Chifley/Pearce green belt, west side of Melrose Drive, opposite Parramatta Street – marked "C" on the map

Time: 2.00 pm – 4.00 pm

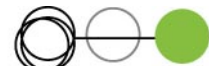

For further information contact Peter Strang on 6243 4826 or peter.strang@gta.com.au

The project is being funded by the Australian and ACT Governments under the National Bike Path Projects Program.
