**Public Housing Renewal
Taskforce**

Presentation to the Woden Valley Community Council

Wednesday 5 April 2017

Speaker: David Collett
Executive Director, Public Housing Renewal Taskforce

Public housing renewal program

1,288 new public housing dwellings by 2019

Multi-unit properties being renewed:

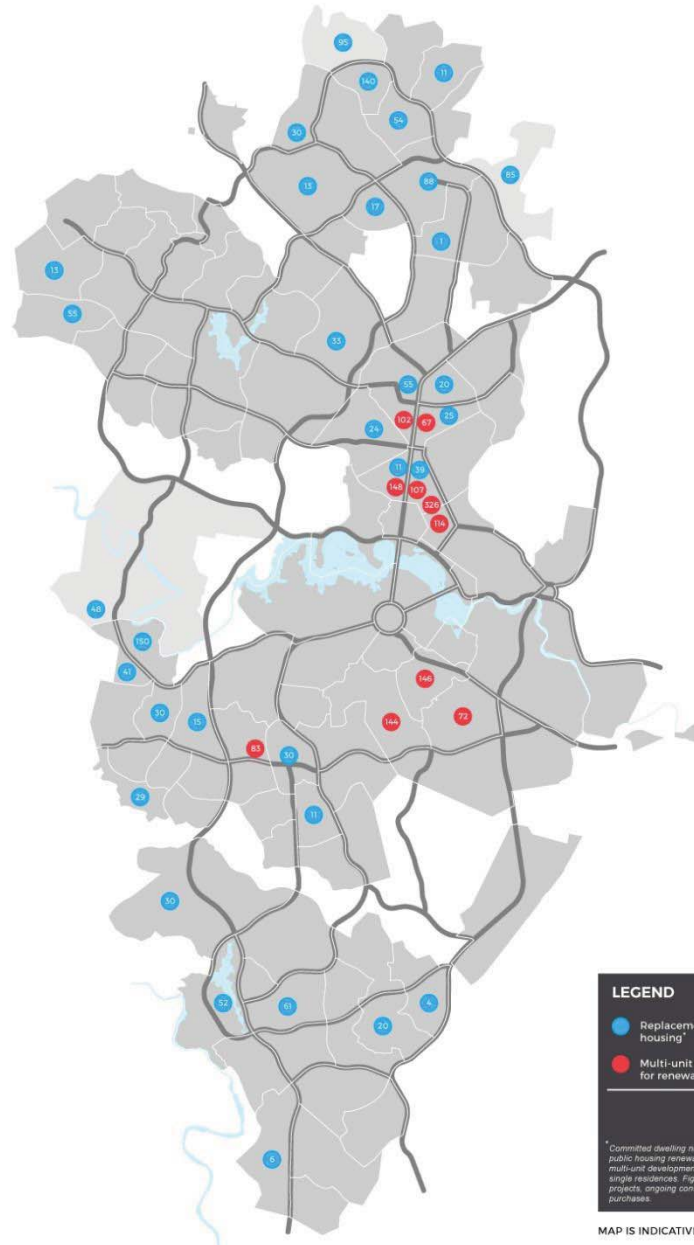

- built in the 1950s and 1960s for a growing public service
- concentrated in high-density developments, mainly in Canberra's Inner North and Inner South
- expensive to maintain
- no longer fit for purpose

Replacement homes:

- mix of houses, townhouses and apartments
- spread more evenly across Canberra
- improved designs to meet tenant needs now, and into the future

Public housing renewal program

Distribution of replacement housing

Recent public housing

Mawson (part Block 1 Section 45)
